Dear [REDACTED]

Enclosed are sections 3, 4, and 5 of the bibliography which I am preparing.

These sections will not be distributed until November 15, 1966 --- so you have more time to look them over.

I was hoping to find a binder, so that you could keep all of the sections in one place; not having found one, I have stapled these sections together. Perhaps you have an extra three-ring binder in the office.

Sincerely yours,

Bill Harris
